A.H. Scott's "Over My Head" saga.....*

**"The lies which we tell ourselves can construct a spine to the weak and a reflection in the mirror that masks a reality which we never wish to speak." - from the "Over My Head" saga, penned by A.H. Scott**

### **Over My Head: Tightrope (BOOK ONE) -**

Secrets are like a rash. Irritation. Agitation. Frustration. Yet, they always rise to the surface.

A husband's secret becomes a wife's gamble. Question is: Can a balancing act last forever? Or is trippin' just a price of marriage? This is "Over My Head: Tightrope", the first book in the four part "Over My Head" saga.

Larry & Angie made for a lovely portrait. Yet, fractures of their marriage weren't easily seen behind the gossamer veneer of charming smile and supportive caress. Puncturing the surface of this couple revealed a relationship not so rosy.

The lies which we tell ourselves can construct a spine to the weak and a reflection in the mirror that masks a reality which we never wish to speak.

And, to think - it all began with a single kiss.....

-----

### **Over My Head: Inferno (BOOK TWO) -**

Even the sightless can see themselves in the catbird seat.....

Opportunities can be like balloons. Sometimes elevated by an optimistic breeze. Sometimes obliterated by arrows through burning trees. It all depends on who controls the air of effectiveness. This is "Over My Head: Inferno", the second book in the four part "Over My Head" saga.

The lies which we tell ourselves can construct a spine to the weak and a reflection in the mirror that masks a reality which we never wish to speak.

A wife. A husband. A lover.

Devotion came in a single kiss.

Sex. Money. Power. Lies. Obsession. Murder.

No one gets out of this life without paying a price.

-----

### **Over My Head: Haywire (BOOK THREE) -**

Regret does not eradicate the past....

In life, sometimes a queen of hearts doesn't hold all the aces.

The lies which we tell ourselves can construct a spine to the weak and a reflection in the mirror that masks a reality which we never wish to speak.

Circumstances for Angela Chase change in a wave of catastrophic events. Can a wayward wife stay afloat? Or, will she drown in being "Over My Head"? This is "Over My Head: Haywire", the third book in the four part "Over My Head" saga.

A wife. A husband. A lover.

Devotion came in a single kiss.

Sex. Money. Power. Lies. Obsession. Murder.

No one gets out of this life without paying a price.

-----

### **Over My Head: Salvation (BOOK FOUR) -**
